

## Bollywood Farm Tours and Activities

Learn, enrich yourselves, and bond with your nearest and dearest. In addition to dining at the Poison Ivy Bistro and cooking classes at the Bollywood Bhanchha—our Warriors' Kitchen (check out our Culinary Programmes!)-- we also offer numerous tours and activities at Bollywood Veggies. Take a look at our options and find some new ways to learn about the farm, the countryside, and connect with our natural world:

### Activities:

**POTTING SESSION** : A hands-on activity where participants will learn, by demonstration and experiment, how to pot their own plants. Participants can take their potted plants home.

**GREEN STARTER** : An educational and fun activity booklet for children and students aged 6-8. This booklet will encourage children to interact with plants in the farm.

**FARM EXPLORER WORKSHEET** : This fun and educational worksheet addresses the uses and interesting facts on plants and farming. This Farm Explorer worksheet can be customized to suit the different profile and age groups.

**DISCOVERY HARVEST** : A fun competitive activity where groups harvest a selection of plants from a given list. The group that collects all the plants on the list in the fastest time wins.

**SCARECROW CHALLENGE** : A fun competitive activity where groups build a unique scarecrow using materials found on the farm. The group that makes the most effective, creative and sturdy scarecrow wins.

**BOLLYWOOD FARM SCRABBLE** : A fun competitive activity where groups collect letter-blocks hidden around the farm. The first group that manages to form three Bollywood plant names wins.

**MUSEUM TOUR** : A 30-minute guided tour of the Bollywood Food Museum. Our knowledgeable guide will walk visitors through 24 oil paintings on the history of humankind's interaction with food, the agricultural and industrial revolutions, and how food relates to the rise and fall of civilisations.

**PLANT THE PADDY**: Learn to be a farmer! A hands-on activity where participants learn the uses and techniques of rice farming, and get their hands dirty by learning to plant the paddy on their own. An educational activity suitable for all age groups.

**ART WITH FALL LEAVES**: A hands-on activity where participants learn to make use of recycling materials, such as dried leaves and branches from the farm, to form a beautiful piece of artwork.

**FROG TALK** : Our partner frogologist will take you on a frog's learning journey with live displays and a hands-on-on-the-frogs session. There will be a 15-minute slideshow that will teach you about the life cycle of a frog, and how to differentiate between a male and female American bullfrog.

**BOLLYWOOD KAMPONG RACE** : A super-fun and exciting team-building activity that incorporates the Bollywood experience into an Amazing Race-style competition. Race stations will include the competitive activities stated above, such as the Discovery Harvest, the Bollywood Farm Scrabble, the Scarecrow Challenge and others. Teams test their knowledge from the farm tour and perform surprise detours and roadblocks. Enjoy dare-devil and yester-year activities out in nature in our signature Bollywood team-building activity. Available in both full-day and half-day versions.

#### **Farm Tours:**

Our farm is open for independent and guided tours. We offer the following pre-arranged tour packages for your consideration. Note: we can make special arrangements for smaller groups. Please contact us to discuss your needs.

#### **Farm Discovery On Your Own**

- Free and Easy self-guided farm tour, with a map provided for orientation
- Free entry if transported by the Kranji Bus Service
- Free entry for kids below 12 and elderly above 60, if you visit as a family
- Note, however, that for organised groups, the fee is payable by all

#### **Welcome to Nature Guided Farm Tour**

- 30-minute guided farm tour on some uses and interesting facts of the fruits, vegetables, herbs, spices and medicinal plants of Bollywood Veggies, where participants will be encouraged to smell, touch and taste
- Suitable for kindergarten and lower primary levels
- Inclusive of entrance fee and guide
- Minimum of 40 people

#### **Wet Weather Plan: Show, Ask and Tell**

- 30-minute indoor session showcasing the plants of Bollywood, in case of heavy rain
- Participants will be encouraged to touch, smell and taste specimens
- Information covered in Show, Ask and Tell is similar to that of the corresponding guided farm tour booked

#### **Customised Tours**

We also do customized tours on specific areas like agriculture and farming, food security, crop cultivation, herbs and spices etc, for different profile and age groups. Duration of tour depends on the objectives and requirements of tour groups. Interested parties may contact us for more details!

Guided tours, packages, and activities must be booked in advance. To book, please contact us @ 6898 5001, or email to us at [bollyveevents@gmail.com](mailto:bollyveevents@gmail.com) directly to discuss your interests, needs, and group size.
